**AUDITORS' REPORT**

TO THE MEMBERS OF  
HEART TOUCHING HEART MINISTRIES

We have audited the statement of financial position of Heart Touching Heart Ministries as at December 31, 2002 and the statements of changes in net assets and revenue and expenditure and changes in cash position for the year then ended. These financial statements are the responsibility of the Organization's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In common with many charitable organizations, the Organization derives revenue from donations and fund raising, the completeness of which is not susceptible to satisfactory audit verification. Accordingly, our verification of these items was limited to the amounts recorded in the records of the Organization and we were not able to determine whether any adjustments might be necessary to donations and fund raising, excess of revenue over expenditure, current assets and net assets.

In our opinion, except for any adjustments, if any, which we might have determined to be necessary had we been able to satisfy ourselves concerning the completeness of the donations and fund raising referred to in the previous paragraph, these financial statements present fairly, in all material respects, the financial position of the Organization as at December 31, 2002 and the results of operations and changes in its cash position for the year then ended in accordance with Canadian generally accepted accounting principles.
